

Upper Yarra Flexible Transport

Do you need help being driven around locally?

Do you live in the Upper Yarra and need someone to drive you to and from your appointments; to the shops or just get out and about locally and be connected with your community?

EV Community Transport has been delivering community transport to the Eastern Region of Melbourne for over 45 years. We are looking to support people in the Upper Yarra in a flexible transport trial with local volunteer drivers from August to November 2023.

Our focus is to ensure that you are treated with dignity and respect in every interaction. We are an inclusive organisation supporting Culturally and Linguistically diverse people, Aboriginal and Torres Strait Islander peoples and LGBTIQ+ Communities.

Our drivers are local volunteers who are trained and supported by EV who will ensure that you reach your destination safely, in comfort and on time.
